ABOUT US

EMPOWERING YOU TO PERFORM AT YOUR BEST.

PT Forta Larese began in 1972 making military boots and introduced Indonesia's first locally made safety shoes under the CHEETAH® brand. Known for durability, comfort, and protection, CHEETAH® continues to innovate with lightweight, ergonomic designs and advanced materials.

Today, CHEETAH® is a leading safety brand in Indonesia and across the region, with a growing range of personal protective equipment including safety glasses and gloves. We design workwear that not only protects but also keeps you comfortable-empowering you to move with confidence, every step of the way.

Over 50 Years

Reliable safety shoes manufacturing experience.

Large Production Capacity

Mass production capability with modern machines.

Proudly Indonesian Made

Developed and tested across the country's varied industrial environments.

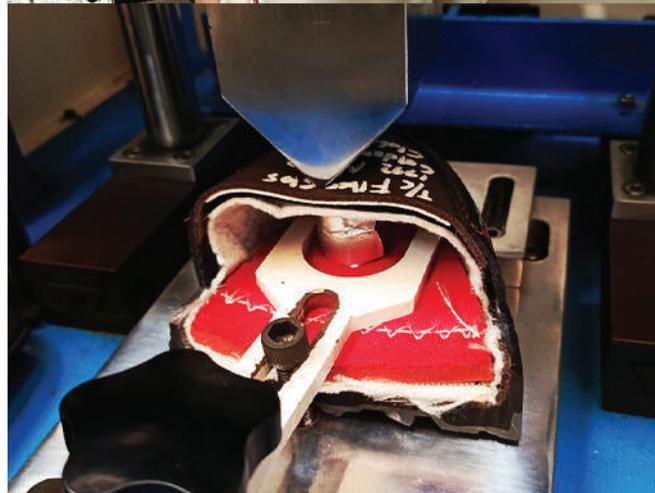

Quality Control

Our strict quality standards deliver reliability you can trust.

6-Months Warranty

Covers manufacturing defects for six months from purchase.

OUR TECHNOLOGY

Fast and practical lacing solution for quick-on and quick-off.

AIRGO LITE
COMFORT INSOLE

Lightweight PU insole for foot-shaped cushioning.

SAFETY TOE

Fiberglass cap offers top protection, non-conductive, EN12568 compliant, and metal-free.

SOLEGARD™

Metal-free nail proof layer that improves movement and flexibility.

LIGHTWEIGHT PU INSOLE

Polyurethane outsole with high flexibility and cushioning.

Conductive shoes with <math><100\text{ M}\Omega</math> resistance for static sensitive areas.

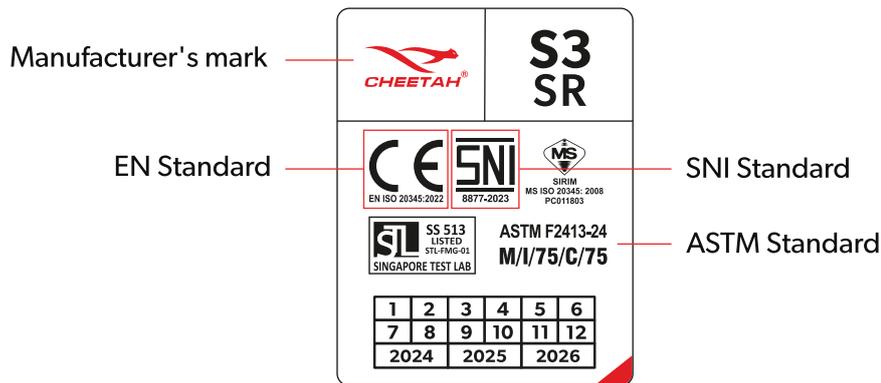

DURABLE PU OUTSOLE

Dual-layer outsole for energy return and less fatigue.
